

# *Ashington Festival Committee*

Dear Friend,

Already this year we have several floats booked in for our Carnival on Saturday 18th August, but following last year's number of entries we would like this years procession to be even bigger and the best yet! We have increased the number of ways you can take part and the number of prizes and awards to match! This year you could enter:-

1. A carnival float or a decorated car and occupants of any sort
2. A walking group in fancy dress
3. A decorated bicycle, buggy or mobility scooter or horse and rider in fancy dress. (To be judged in the arena on arrival.)

Remember, you don't have to be a village organisation to enter, you could just be a group of friends, a family, a street or road, a group of work colleagues, anything at all.

Help us keep our Carnival at the start of Festival Day, join in the fun. I'm sure you would enjoy it.

£100 prize for the overall winner in groups 1 & 2. Extra points will be awarded for originality and effort in making your float and costumes. To enter contact:
